

**Product Highlights:**

- Multiple heads system: 1 / 2 / 3 heads arrangement
- Outstanding reliability and easy installation
- High quality light with unique optical design
- Long lifetime up to 25,000 hours

# Light is economy

## LEDCOMFO® Multi-head

Economy choice for demanding accent lighting with multiple heads system.

Light is OSRAM

**OSRAM**

## LEDCOMFO® Multi-head

LEDCOMFO® Multi-head series is a cost-effective LED replacement for traditional multiple head spot light. The series is available up to three heads arrangement with multiple power options and beam angles for different application requirements. Thanks to its adjustable structure, multiple objects can be illuminated from different directions. LEDCOMFO® Multi-head series brings good glare control with multiple beam angles and is the ideal choice for demanding accent lighting with a limited budget.

### Applications

- Merchandise displays
- Commercial buildings
- Retail stores
- Lobbies and corridors
- Shopping malls
- Households

### Advantages & Benefits

#### Flexible product options

- 15° / 24° / 40° beam angle options
- Up to 3 heads arrangement
- 30° vertical adjustable, 180° horizontal adjustable

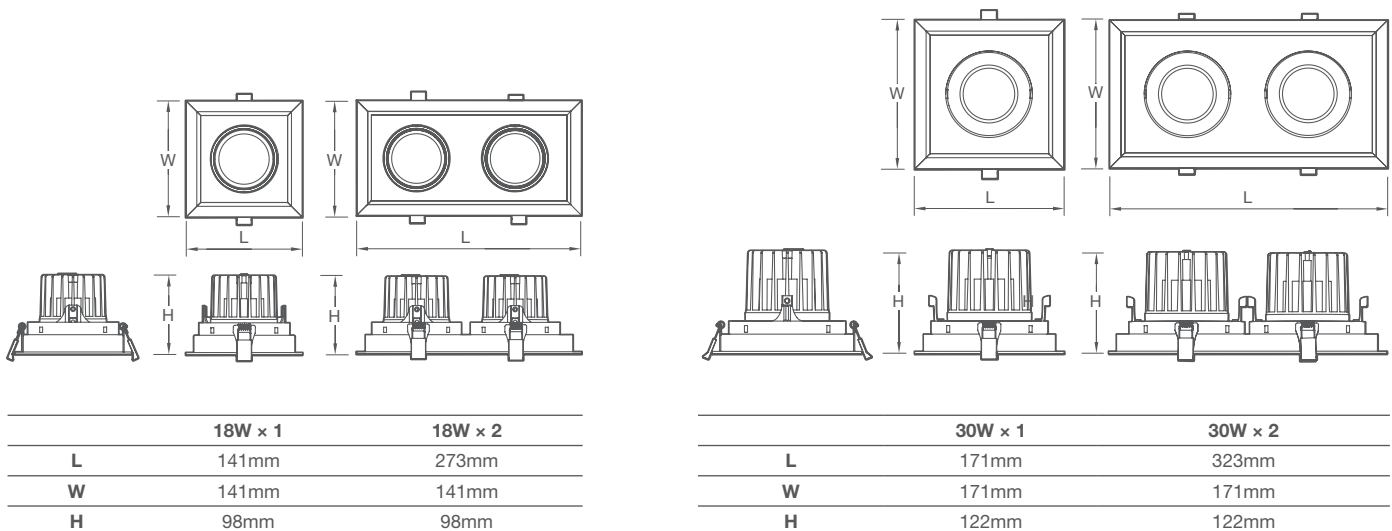

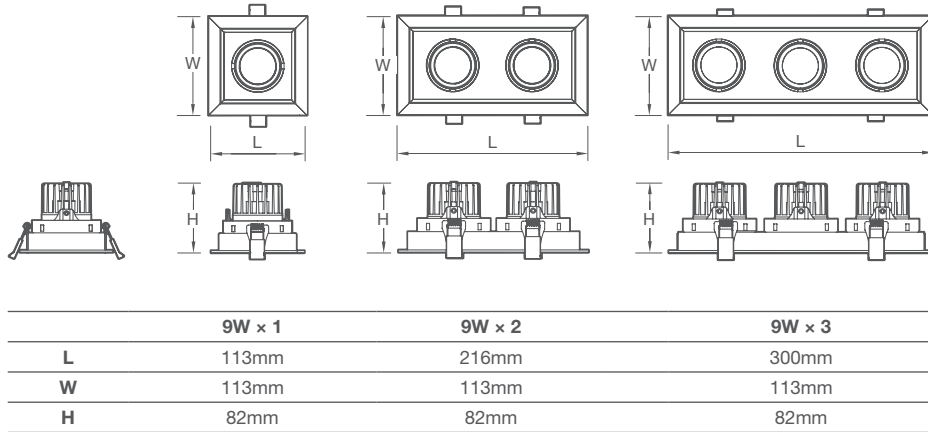

#### Reliability and easy installation

- Individual driver for each module and failure of single module won't affect others
- Die-casting housing
- Rimless design for easy installation

#### Quality light and energy saving

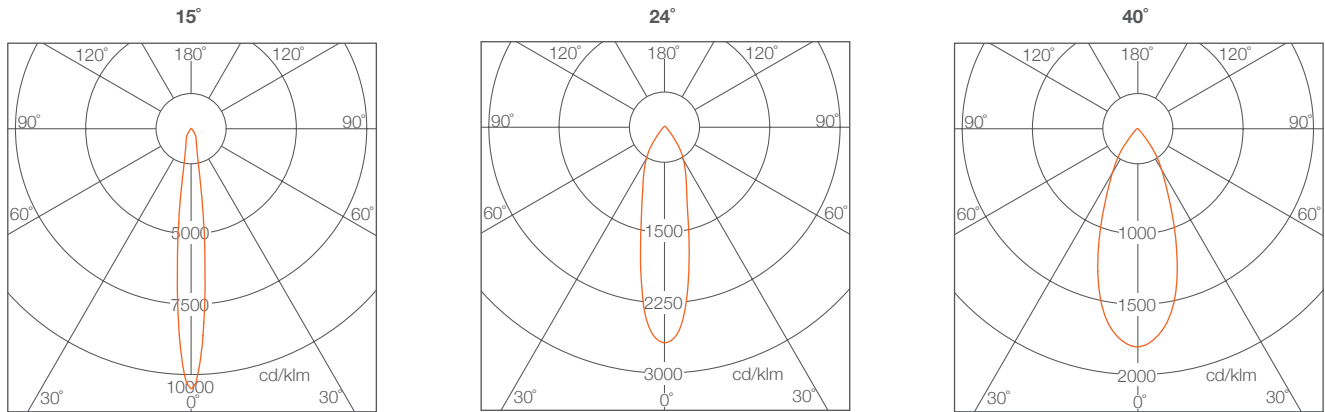

- Best-in-class COB platform provides consistent and even color and brightness
- More than 50% energy saving comparing to traditional
- Concave stepping cover design to provide good glare control multi-head spot light
